

# Teys Financial

Suite

Jones Bay Wharf

Pymont

Office Fitout

Area: 215m<sup>2</sup>

Value (net) - \$150,000

Completed : September 2004

Description: As a Strata management and property company relocating from serviced offices in the city, Teys required Ibiz Design to provide a scheme that would launch their brand identity. Within the brief, Teys required space for large amounts of filing, a large boardroom, executive areas, workstations and breakout area's, all to be contained in the long narrow footprint of the office. We therefore designed custom yet flexible workspaces and storage units.
